City of Wildomar Overview

Wildomar is located along Interstate 15 in Riverside County, a growing community comfortably nestled in a valley bordered by a mountain range on the west and rolling hills to the east. Its boundaries take in some 24 square miles. The community has grown very quickly during the early twenty-first century. Nestled between the cities of Murrieta and Lake Elsinore, Wildomar officially became a city on July 1, 2008, at that time home to about 28,000 residents. As of the 2022 census, the estimated population was 37,214.

Inland Valley Hospital & Medical Center (Southwest Healthcare)

The site is located immediately near the existing Inland Valley Hospital/Medical Center, in Wildomar, CA, which currently stands as a cornerstone of healthcare in the region, providing advanced medical services and compassionate care to its community. Equipped with cutting-edge technology and staffed by skilled professionals, the existing facility offers a comprehensive range of services across various medical departments, including emergency care, surgery, cardiology, oncology, orthopedics, and obstetrics. Patients benefit from personalized attention and modern amenities, reflecting the hospital's commitment to excellence and patient satisfaction.

To meet the increasing demand for healthcare services, the hospital is embarking on an ambitious SEVEN STORY expansion project. This expansion will add 202 additional beds to the facility, enhancing its capacity to accommodate more patients and further improving accessibility to high-quality healthcare. The project signifies a significant investment in the community's health infrastructure and underscores the hospital's dedication to meeting evolving healthcare needs.

Upon completion, the expanded facility will introduce new specialized services and amenities, elevating the standard of healthcare in Wildomar and its environs. From state-of-the-art medical technologies to enhanced patient comfort features, the expansion aims to enhance the overall healthcare experience for residents. With its continued commitment to excellence and community well-being, the Inland Valley Medical Center remains a trusted healthcare provider and an essential asset to the region.
